Judy Center home visiting Program. The focus will be on play for children 3 and younger, helping prepare for kindergarten. Call for more information.

Child Care Academy of Abilities Network and MSDE to assist child care providers in continually improving their care for children

ABC Playgroup is a playgroup where parents attend with their child. The focus is on playing, the work of childhood.

ESOL Family Literacy classes are free English classes with the focus on language needed to help your child and family.

Wonderful Wednesday is for Judy Center parents, including a breakfast snack, time to meet other parents and get ideas and tips to help at home.

Family Yoga is a donation based, 5 week yoga class for families and young children.

Please contact the Judy Center with questions about these activities.
